Communix from London handled principally by Army-leased cable LONDON - CHERBOURG - NEW YORK.
This is supplemented sometimes, for speed, by use of Western Union facilities, which are paid for.

Communix from Cairo by Air Transport Command circuit (Army Air Forces).

Communix from Guam by Navy from GUAM to PEARL to Ft SHAFTER; then Army to West Coast.

West Coast - East Coast communix by land line leased by Army from Western Union. This is the most costly part of the paid-for service.
